Hardy LILIES--Top Quality

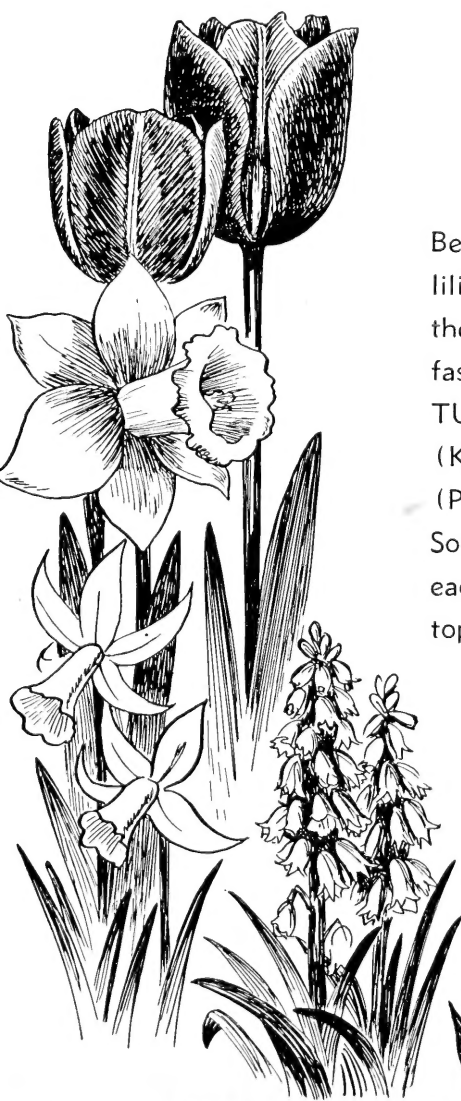

BELLINGHAM HYBRIDS (6-7'')—Tall, slender stems carry as many as 10-15 graceful, recurved flowers. Colors range from clear yellow through orange to orange-red, with mahogany spots. Wonderful for woodland planting, liking partial shade in cool, light soil. Plant 5-6'' deep. July. **60c each; 3 for \$1.60; 100 for \$50.00**

REGAL LILIES (5-6'')^{6-7''}—We sell hundreds of these stately lilies each year. Delightfully fragrant blooms are white with lilac shading on the outside of the trumpet. Significant for their easy culture, they enjoy full sun in well-drained soil. In cold sections mulch well. 3-4 feet tall. Bulbs shipped with long, healthy roots. Plant 5-6'' deep. July. ~~8 for \$2.00 3 for 70c; 5 for \$1.00; 100 for \$16.00~~

L. PARDALINUM GIGANTEUM (6-7'')—You'll love these gay flowers which are popularly known as Sunset Lilies! On a single strong stem as many as 10-15 blooms—tangerine orange shading to orient red at petal tips, dotted garnet red. 3-4 feet tall. Prefer full sun and well-drained soil. Plant 5'' deep. July. **60c each; 3 for \$1.60; 100 for \$50.00**

L. SPECIOSUM MAGNIFICUM (6-7'')—This is one of the most brilliantly colored of the Speciosums. Recurved white flowers are suffused with carmine pink and spotted crimson. Speciosums do not like a hot dry soil. Plant 5-6'' deep in well prepared soil containing ample humus. Like most lilies they will give their best performance if provided with a good ground cover. August-September. **90c each; 3 for \$2.60; 100 for \$75.00**

L. TENUIFOLIUM (3-4'')—Sometimes called the Coral Lily or Turk's Cap, these gay coral red recurving blossoms have a waxy texture. 10-15 flowers on a stem. 1½-2 feet tall. Plant 3'' deep in full sun and well drained soil. June. **25c each; 3 for 70c; 100 for \$18.00**

"SPRING SONG" COLLECTION

Besides our select stock of summer blooming lilies we like to provide our customers with the opportunity to enjoy the charming old fashioned but ever popular spring flowers: TULIPS (Darwin and Parrot), DAFFODILS (King Alfred), HYACINTHS, NARCISSUS (Pheasant's Eye), and CROCUS. Our "Spring Song" collection includes a good selection of each of the above varieties and all bulbs are top size. Separately packaged and labeled.

AURELIAN HYBRID LILIES

(Flowering Size)

The Aurelians are one of the newer and most important hybrids. The blooms vary in form from recurved to full trumpets, with colors ranging from white to deep yellows and apricot. 4-6' stems. Mid-summer blooming. Plant 6'' deep in part shade with good drainage.

EVENTIDE—It is our happy privilege to be able to offer lily-lovers a 1954 introduction—a new disease resistant lily 4-5' tall carrying large, pyramidal heads of semi-curved flowers about 4'' in diameter. Coloring is cream overlaid with saffron blending to an orange sun-burst throat. **\$9.00 each**

GOLDEN TRUMPET—Large fragrant golden yellow trumpets. **\$3.50 each; 3 for \$9.75**

GREEN GOLD—Similar to Golden Trumpet except for cool, distinctive greenish yellow color. **\$4.50 each; 3 for \$12.75**

BRIGHT CLOUD—Large, broadly recurved flowers, margins and tips are pure white, centers bright yellow. **\$4.50 each; 3 for \$12.75**

DELIGHT—Semi-trumpets and bowl shaped flowers, white with apricot and yellow center. **\$3.50 each; 3 for \$9.75**

MEILING—Semi-curved, medium cream with gold center. **\$4.50 each; 3 for \$12.75**

GRAND QUINTET COLLECTION

5 TOP QUALITY BULBS

1 each: Golden Trumpet, Green Gold, Bright Cloud, Delight and Meiling. (You save \$3.50) **\$17⁰⁰**

AURATUM LILIES

(the Gold Banded Lilies)

Probably the most spectacular and best loved of all lilies. The flowers are very large, bowl-shaped, waxy-white, usually crimson spotted, and each segment is striped with a gold band. Perfect drainage and ample humus are essential to success with Auratums. Plant 5" deep in partial shade.

AURATUM PLATYPHYLLUM—Huge flowers, often almost a foot in diameter, carried on 4-6' stems. One of the finest and most hardy of all Auratums. August-September. **\$1.65 each; 3 for \$4.25**

AURATUM PICTUM—Gorgeous blooms are more heavily spotted than the Platyphyllum, with the tips of the petals flushed crimson. August-September. **\$4.35 each; 3 for \$12.00**

AURATUM PRAECOX—Similar to Platyphyllum but flowers are not quite as large and blooms a week to ten days earlier. **\$1.90 each; 3 for \$5.00**

AURATUM TRICOLOR—This is the exception to the Auratum rule of crimson spots. Tricolor has the distinct gold band, but spots are pale yellow. **\$5.00 each; 3 for \$14.00**
